Initial payment must be made by cheque or cash only (BACS can be used for subsequent renewals.

Important – please see overleaf for details of how your personal data will be used and managed.

Privacy statement

To process your application for membership Les Croupiers Running Club (LCRC) requires a minimum of personal data that will be held on the club's database while you remain a member. If your membership lapses through non-payment of the annual subscription, after one year your details will be completely deleted.

The retention of personal details is subject to the provisions of the Data Protection Act 1998 and a recent change in government legislation known as the General Data Protection Regulations (GDPR), effective 25 May 2018 across the European Community.

When a person joins LCRC, or renews their membership, LCRC provides their details to Welsh Athletics Ltd (WAL) as an affiliated club; the member is also registered by the club with Welsh Athletics. This means that the club transfers the member's personal data to Welsh Athletics Ltd and UK Athletics via the club membership portal. It is therefore essential that you are aware of this transfer of personal data when you join or renew your membership. Additionally, your personal details may be used by a member of LCRC committee to enter a race on your behalf (normally this will be the club ladies or men's captain) hence requiring details of age and gender.

Some races are eligible for the Welsh Championship, so we need to know whether you qualify for a championship entry. For this reason the application form asks whether you were born in Wales, whether one or both your parents were born in Wales, and/or whether you have a minimum of two years continuous residence (which actually is immediately prior to the Welsh championship event you are entering).

You are also asked about any previous membership of an athletics club to be certain you are eligible to join LCRC as your first claim club.

Please be assured that your personal details will not be used for reasons other than race entry, registration with Welsh Athletics and recording the membership of LCRC. No details will be released to a third party for purposes such as marketing. If you have questions about the retention of your details, or perhaps wish to change any details, please contact the membership secretary or club captain. All personal data is held on a secure database that can only be accessed by the membership secretary and other club officers. If your details change (e.g. your phone number or email address), please inform the membership secretary.
